# WALL STREET NEWS

Stock Market Displays Languidness All Day.

AWAITING A FRESH IMPULSE

Little Interest Taken in Political Controversy Now Raging-Weather Reports Are Favorable and Crop Output Estimated Larger Than at D Any Time This Season.

New York, Aug. 23.—In trading that

Seemed to be almost entirely of professeemed to be almost entirely of profes-sional origin, the stock market drifted Louisville & Nashville... idly backward and forward to-day, and displayed few features of interest to speculators looking for a definite trend. In the London market before the local opening there was a continuation of the reactionary movement, which gained considerable headway in the New York. siderable headway in the New York Reading com...... market yesterday, and at the local opening prices were generally off at about the range of the lower level in London.

Before the session was far advanced, however, London, which had been selling stocks consistently for more than a week, bought moderately on balance, and there was a discontinuance of the selling pressure latterly exerted by local selling pressure latterly exerted by local Amal Copper. the last half hour, when prices drifted off once more. At the close the market was irregular, but showed fractional Am. Car & Found. pfd. 10% Am. Cotton Oil code. 10% Am. Ice Securities. 19% gains in most of the active stocks, with Am. Locomotive com.

rather more strength in the railroad shares than in the industrials.

The only encouraging thing about its action was that the duliness succeeding the four days' decline showed a cessation of the recovery decline showed a cessation. tion of the speculative liquidation for both local and foreign account that accompanied the four days' reactionary Distillers' Securities ......

No Impulse Provided.

To-day stocks seemed again to have reached a condition approaching equilibrium and the market to be awaiting. Pacific Mail Steamship. brium; and the market to be awaiting Pressed Steel Car com. some fresh impulse. In the day's news I there was nothing to provide an impulse. The damage done to railroad property by the forest fires in the Northwest was not I considered of sufficient importance to affect the stocks of any of the railroads concerned.

Nor was more than languid interest taken in the action of President Taft in supporting the former President in the

supporting the former President in the factional squabble in this State. The Atchison convert. 48 ...... 984 departure of the latter on a political speaking campaign may have served to deter purchases until it is known to what extremity the radical propaganda is to go, but had no other effect on the day's

The quarrel between the Vice President and the former President the financial Quotations furnished by W. R. Hibbs & Co., p community continued to regard with bers of the New York Stock Exchange, Hibbs B amusement, remembering that the Vice President is the same Sherman who Col. Rooseveit took into his confidence Butte Coalition. on the occasion of the celebrated "Prac- Chicago Subway .... tical men" correspondence with Mr. Har- Cobalt Central. riman, and reflecting that there may be in existence other correspondence of equal Goldfield Consolidated Greene Cananes.... Kerr Lake... Manhattan Transit. interest and suggestiveness.

Weather Reports Favorable.

throughout all the principal corn and cot- Rawhide Coalition ton sections. The disposition is becoming Ray Consolidated. increasingly general to estimate the output of corn, cotton, and wheat greater than at any previous time of the sum-

Pittsburg, Cincinnati, Chicago, and St. G. Florence..... Louis, the second big railroad to report for July, displayed the same tendency as did Baltimore and Ohio in its stateas did Baltimore and Ohio in its state-ment for the same month. An increase exchange to-day opened at 1% per cent; highest, of \$236,000 in gross earnings was con- lowest, 114; closing 114 per cent. Most of the de verted into a decrease of \$260,000 in net loans were made at 1% per cent. earnings by a heavy increase in ex- Time money was unchanged. The continued penses. The local monetary situation in call rates and moderate size of stock commiscontinued easy.

In London discounts again advanced business were not conducise to a keen dema Offerings were fair. Rates: 2%a3 per cent for si days, 3%a3% for ninety days, 4a4% for four mont

and sterling exchange rates were again hardened. Demand sterling bills are now light cents higher than was the case little more than two weeks ago, and this able and choice four to six morths' single name steady upward movement supplies one of the few perplexing propositions in the general monetary situation.

Some people have a notion that ducks

and geese do not need grit because they stone. They do not need as large a size of grit as hens do, for they get sand when puddling in the bottom of the creek and streams where they forage for weeds and fish. Ducklings should be provided with plenty of sand which takes the place of grit. So thoroughly do some duck raisers believe in grit that they mix sand in the feed that they give their young ducks.

There are seventy miles of tunnels and passages in the Rock of Gibraltar.
